**All:**

We believe  
our doubts open doors to new insight,  
faith is a journey into trust,  
and trust is the oxygen of love.  
We believe  
the smallest longing to believe  
is enough to dispel doubt  
and bring insight,  
sending faith on its journey  
awakening trust,  
creating wider circles of love.  
Christ, inspire in us a will to believe.
