Creating brave spaces that nurture and inspire the human spirit

A Covenant that Knits Us Together

January 21st, 2024

A Covenant is about you and I coming together to form a 'We.'

A contract is a transaction. A covenant is a relationship. A contract is about interests. A covenant is about identity. That is why contracts benefit, but covenants transform.

A covenant creates a moral community. ~ Jonathan Sacks

We welcome all people to join us, including those who have been excluded elsewhere because of gender identity, sexual orientation, race, ethnicity, ability, economic status, marital status, age, or religious uncertainty.*
