

SOUTHSIDE FELLOWSHIP

Creating brave spaces that nurture and inspire the human spirit

The Life of Balthasar Hubmaier

October 19th, 2025

On what is the church built? On the oral confession of faith that Jesus is the Christ. This outward confession is what makes a church, and not faith alone; for the church that has the power to bind and to loose is outward and corporeal, not theoretical, and faith is inward.

-Balthasar Hubmaier, A Christian Catechism, 1526

*Southside Fellowship is an inclusive Anabaptist/Mennonite congregation that understands faith as a journey. At the core of our community is the boundless love of God, the justice-centered life of Jesus, and the mystery of the Spirit. We welcome all people to join us, including those who have been excluded elsewhere because of gender identity, sexual orientation, race, ethnicity, ability, economic status, marital status, age, or religious uncertainty.*
